

The Porterville Art Association

The purposes of the Porterville Art Association, Inc. are to establish and maintain a center for the arts in the community, to promote multi-cultural arts in the area, and to heighten the community awareness of the arts through educational programs, art exhibits and art scholarships, and meaningful art activities.

The members of PAA invite you to join them to help promote art in the Porterville area. This goal is accomplished through art exhibits, featured artist shows, art classes, and art scholarships, which are given to Porterville College students and local residents.

Regular meeting and workshops are held the fourth Friday of the month, 7 times a year: September, October, and January thru May.

In addition to its own meetings, PAA, Inc. is affiliated with the Art Consortium of Tulare County. Through this association, members can have contact with artists and art organizations throughout our Central Valley.

Your membership contributes to maintaining a public art center and gallery through volunteer work, dues and donations. We invite you to join with us to develop and expand the fine arts in our community, whether you are an active artist, a hopeful artist or an interested supporter of the arts. Please complete the attached form and mail it with your check to the address at the bottom of the form.
